

Payment Options for Affordable Smiles Dentistry

We strive to offer convenient payment options while at the same time maintaining the high standards of comprehensive dental care that our patients deserve. At the onset of your treatment we will provide you with an estimate of your total treatment costs. Our goal is to help you afford your dental choices.

Please understand that this will only be an estimate. Should the need for additional treatment arise during the course of the original treatment plan, the fees could change. Be assured that we will notify you of fee changes and obtain your approval prior to proceeding with treatment. Please take a moment to review the financial options offered and indicate your choice of payment.

- Plan A: Payment in full on the day of each visit. To demonstrate our appreciation of patients who are prompt with full payment, we will extend a 5% reduction of the total fee.
- Plan B: You may use your credit or debit card to make payment. We gladly accept most major credit and debit cards.
- Plan C: Payments can be made in installments for patients who are established with the practice and have a proven credit history. You can begin your treatment with an initial down payment of 50%. The remaining balance may be divided into two monthly installments.
- Plan D: Our goal is to help you maximize your dental insurance benefits. As a courtesy, we are happy to bill your dental plan for services. Please remember that the contract itemizing your dental benefits is between you, your employer, and your insurance carrier. Regardless of coverage, your estimate co-payment is due in full the day of treatment. If your dental plan does not pay within 60 days of treatment, you must pay any outstanding balance and seek reimbursement from your dental plan. If your dental plan pays more than expected, your account will be credited towards future work or a refund may be issued (your choice). Also, remember that dental insurance plans are not designed to cover all of your dental needs. Rather, the amount your dental plan contributes towards your dental care is based on the plan selected and purchased by your employer.

Again, feel free to contact us if you have any questions regarding the payment options described above. We thank you for trusting us with your dental care and hope that you will let us know if we can improve our service to you in any way.
